

# SAVE A COOL 15%\* ON TRACTOR A/C PARTS

Make sure your cab keeps cool this summer, by tuning up the A/C system on your John Deere 6 or 7 Series Tractor NOW. To help prevent failure on those hot days, replace key A/C parts, such as:

- ◆ Hose/Lines/Fittings
- ◆ Receiver/Dryer
- ◆ Condensers
- ◆ A/C Flush
- ◆ Compressor
- ◆ Expansion Valves
- ◆ Evaporator Cores
- ◆ Compressor Clutches

Savings apply to OE, Reman and A&I products. Ask us about this great offer TODAY!

Let the experts at Finch Services perform your **A/C Service** for just **\$150!\*\*** SAVE even MORE when 2 or more units are serviced at the same time - just **\$125 each!\*\***

Service Includes: connect gauges to check pressures, clean condenser, inspect/replace cab air filters, add freon as required.

*\*\*Parts and tax are additional. Service offers are valid on all tractor models.*
